Dear Sandy City Resident,

So many Sandy residents don't bother to vote—because it's too much trouble, they don't know how, or they can't figure out for whom to vote. Sadly, they're missing out on a great opportunity. Local government has a big effect on our lives and voting makes you a part of Sandy City, helping to make it work.

On November 8, 2005, Sandy City voters will have the opportunity to vote for candidates for Mayor, City Council At-Large, and City Council Districts one, three, and four. In addition, voters will also have the opportunity to vote on a citizen's referendum. This voter information pamphlet contains a statement from each candidate and information regarding the referendum. Please take the opportunity to study this pamphlet, so when you go to the polls you will be able to make an intelligent and informed choice. Your vote makes a difference.

If you have any questions regarding the election, please contact the Sandy City Recorder's office at 568-7135. We are prepared to help make your voting experience a pleasant one.

Sincerely,

Dianne H. Aubrey, MMC  
Sandy City Recorder
